**SECURE IT WITH EASE**

**QWIK-CLAMP™**

- **MULTI-FUNCTIONALITY**
- **QUICK AND EASY INSTALLATION**
- **SECURE, ROBUST AND CORROSION RESISTANT**

Multi-Functionality
Can be converted from a 1, 2, or 3-hose holder to a cable clamp for a 3-IN-1 by removing the insert.

For 3-IN-1 Applications
Without insert

Stainless Steel Snap-On Clip
For quick installation onto a tender spring or pogo stick.

No Hassle Installation
Quick, easy, and no tools required. Installs in seconds, and cable location adjustment is easy.

Secure Draw Latch
No accidental releases, clamp remains secure and tightly locked.

Non-Corrosive and UV Resistant
Clamp and insert are made of non-corrosive and UV resistant durable nylon for extreme weather, corrosion and impact resistance.

Working Temperature
-40°F to 150°F (-40°C to 66°C)

Positive Lock
Stays connected at over 100lbs of pull force.

Clamp Ridges
Clamp remains in place, securely gripping the 3-IN-1, no sliding.

Recommended Assembly/Cable Sizes
3-IN-1: Clamp will support Phillips 3-IN-1s or assemblies approximately 1.60” in diameter.

Hose Holder: Supports straight ABS electrical cables and 3/8” rubber air hoses, or coiled ABS electrical cables and nylon air lines with longer leads.

Patent No. 10436352

*Standard on all Phillips premium 3-IN-1 electrical and air combination assemblies with QC3™ or QCMS2™/QC2™ plugs.

INSTALLATION INSTRUCTIONS

WITH INSERT FOR INDIVIDUAL CABLES

1. Unlock the QWI-K-CLAMP™
2. Remove the insert
3. Place insert on the hose(s)
   Note: For installation on coiled nylon air lines, the insert should be placed on the spring guard of a 40", or longer, tractor side lead. It should never be installed directly on the tubing.
4. With the insert installed on the hose(s), place the insert in the open clamp. We recommend the heaviest cable be placed at the bottom and that the edges of the insert line up with the clamp ridges.
5. Close, lock, and install the QWI-K-CLAMP™ on a tender spring or pogo stick

WITHOUT INSERT - FOR 3-IN-1

1. Unlock the QWI-K-CLAMP™
2. If there is an insert, remove it and store in a safe place if needed for later
3. Place 3-IN-1 in the QWI-K-CLAMP™
4. Close, lock and install the QWI-K-CLAMP™ on a tender spring or pogo stick
