12-4548	45° with cast iron emergency gladhand, blue, 3/8" female pipe thread, bottom
12-4526	45° with QWIK-E® gladhand, blue, 3/8" female pipe thread, bottom

- GLADHAND SWIVELS 180° WITHOUT KINKING AIR LINE!
- When not in use, gladhand is automatically returned to seal, protecting the air lines
- Designed for intermodal and piggy-back trailers where straight or angled gladhands are exposed to damage
- Anodized for increased protection against magnesium chloride, road salt and chemicals
- Stainless steel return spring for long life

Shut-Off Gladhands

Bulkhead Mount

12-306	Service, blue, 3/8" female pipe thread
12-308	Emergency, red, 3/8" female pipe thread

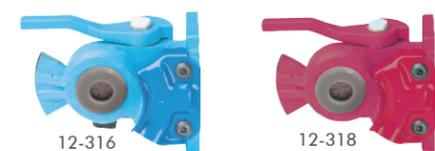

Surface Mount

12-336	Service, blue, 3/8" female pipe thread
12-338	Emergency, red, 3/8" female pipe thread

- For double trailers
- Comes standard with 12-0167-25 dust flap poly seal and 12-038 filter screen
- Includes bulkhead fitting
- Integrated shut-off valve or arm
- Color-coded connector plate for easy identification
- Meets SAE J318 specifications

Composite Shut-Off Gladhands

Surface Mount

12-316	Service, blue, 3/8" female pipe thread
12-318	Emergency, red, 3/8" female pipe thread

Bulkhead Mount

12-326	Service, blue, 3/8" female pipe thread
12-328	Emergency, red, 3/8" female pipe thread

- For double trailers
- Composite materials for increased protection against magnesium chloride, road salts and chemicals
- Integrated shut-off arm to seal air system
- Molded in color for easy identification
- Standard with 12-0167-25 dust flap poly seal and 12-038 filter screen
- Patented No. 5,348,043
- Meets SAE J318 specification

Economy Shut-Off "Dummy" Gladhand

Economy "Dummy"

12-0100	Economy shut-off "dummy" gladhand, aluminum
---------	---

- Inexpensive way to seal rear gladhands for double trailers
- Provides air-tight shut-off
- 18 in. cable with ring terminal

PHILIPS

QWIK-E® Gladhands

Straight Mount

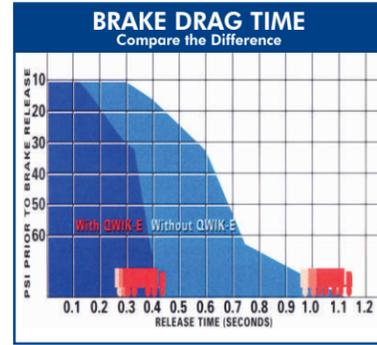

- 12-206** Service, blue, 1/2" female pipe thread without filter screen
- 12-2061** Service, blue, 1/2" female pipe thread with filter screen
- 12-206B** Service, blue, 12-206, individually packaged, polybag

Trailer Mount

- 12-236** Service, blue, 3/8" female pipe thread bottom port
- 12-2361** Service, blue, 3/8" female pipe thread bottom port with filter screen
- 12-23617** Service, blue, 3/8" female pipe thread rear port with filter screen
- 12-2367** Service, blue, 3/8" female pipe thread rear port
- 12-236B** Service, blue, 12-236, individually bagged

- Trailer brakes are released up to 50% faster than conventional methods
- Quick-release valve and gladhand combined
- Reduces tire flat spots
- Anodized housing for corrosion protection
- For use with ABS and NON-ABS brake systems
- For use on trailers service lines only
- Improves response time of brake release - Drivers love it!
- Standard equipment on most OEM trailers
- Meets SAE J318 specifications
- By reducing brake lining and drum wear, thousands of dollars are saved over the life of the trailer

QWIK-E® Service Kit

- 12-226** Repair service kit

Quick Exhaust Valve

- 12-810** Trailer side
- 12-811** Tractor side

Quick Release Valve

- 12-800** 3/8" x 3/8" x 3/8"
- 12-801** 1/2" x 3/8" x 3/8"

Standard Gladhands

- Wrap-around connector plate provides additional strength
- Powder-coated connector plate for corrosion resistance
- Zinc-coated detent plates
- E-coated screws for corrosion protection
- Meets SAE J318 specification
- Stainless steel detents plates and connector plates available, please contact customer service
- Service and emergency keyed to prevent cross coupling

Straight Mount

- 12-006** Service, blue, 1/2" female pipe thread
- 12-0061** Service, blue, with filter screen, 1/2" female pipe thread
- 12-006B** Service, blue, 1/2" female pipe thread, individually packaged
- 12-008** Emergency, red, 1/2" female pipe thread
- 12-0081** Emergency, red, with filter screen, 1/2" female pipe thread
- 12-008B** Emergency, red, 1/2" female pipe thread, individually packaged
- 12-010** Universal, 1/2" female pipe thread
- 12-010D** Universal, 1/2" female pipe thread, individually packaged

- For use on air coil, tractor and trailer

Trailer Mount (38°)

- 12-136** Service, blue, bottom port, 3/8" female pipe thread
- 12-1361** Service, blue, with screen filter, bottom port, 3/8" female pipe thread
- 12-13617** Service, blue, with filter screen, rear port, 3/8" female pipe thread
- 12-138** Emergency, red, bottom port, 3/8" female pipe thread
- 12-1381** Emergency, red, with filter screen, bottom port 3/8" female pipe thread
- 12-13817** Emergency, red, with filter screen, rear port, 3/8" female pipe thread

- For use on trailer

Corrosion-Resistant Gladhands

Straight Mount

- 12-00623** Service, blue, anodized, 1/2" female pipe thread
- 12-00823** Emergency, red, anodized, 1/2" female pipe thread

Trailer Mount

- 12-13623** Service, blue, bottom port, anodized, 3/8" female pipe thread
- 12-13823** Emergency, red, bottom port, anodized, 3/8" female pipe thread

- Anodized for increased protection against magnesium chloride, road salts and chemicals
- Designed for highly corrosive operating conditions
- Wrap-around connector plate provides additional strength
- Powder-coated connector plate for corrosion protection
- Zinc-coated detent plates
- Meets SAE J318 specifications
- Stainless steel detent plates and connector plate available, please contact customer service
- Service and emergency keyed to prevent cross coupling

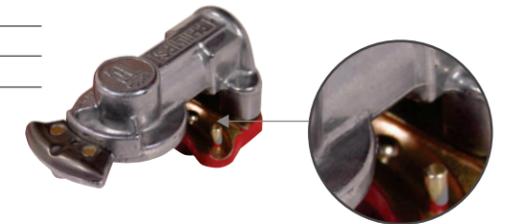

LATCH-IT™ Gladhands

- 12-1119** Universal, 1/2" female pipe thread
- 12-1169** Service, blue, 1/2" female pipe thread
- 12-1189** Emergency, red, 1/2" female pipe thread

- HELPS PREVENT ACCIDENTAL GLADHAND DISCONNECTIONS
- Patented latch provides a positive lock
- Easy-grip feature ensures fast coupling/uncoupling, even with gloves
- Powder-coated for easy identification
- Stainless steel connector plate and spring for longevity
- Polyurethane seal
- Meets SAE J318 specifications
- Service and emergency keyed to prevent cross coupling

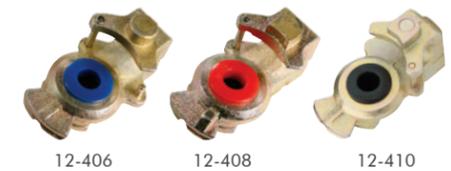

STA-LOCK™ Gladhands

- 12-340** Universal, 1/2" female pipe thread
- 12-346** Service, blue, 1/2" female pipe thread
- 12-348** Emergency, red, 1/2" female pipe thread

- Durable cast iron connector plate
- Aluminum body to save weight
- Stainless steel ball-bearing provides a positive lock for gladhand mating
- Service and emergency keyed to prevent cross coupling
- Meets SAE J318 specifications

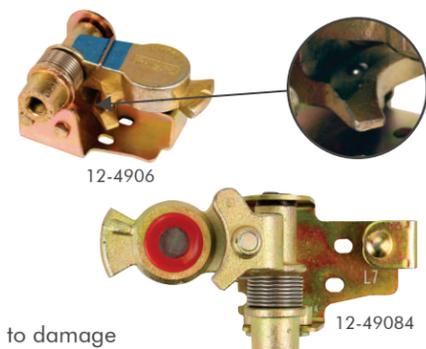

Cast Iron Gladhands

- 12-406** Service, blue polyurethane seal, 1/2" female pipe thread
- 12-408** Emergency, red polyurethane seal, 1/2" female pipe thread
- 12-410** Universal, black polyurethane seal, 1/2" female pipe thread
- 12-41010** Universal, gray polyurethane seal w/dust flaps and screen, 1/2" female pipe thread

- Cast iron for durability
- Integrated connector plate
- Spring-loaded ball lock
- Polyurethane seal
- Meets SAE J318 specifications

STA-LOCK™ Cast Iron Swinger Gladhands

- 12-4906** 90° service, blue polyurethane seal
- 12-4908** 90° emergency, red polyurethane seal
- 12-49064** 90° service, blue polyurethane seal with built-in filter screen **NEW**
- 12-49084** 90° emergency, red polyurethane seal with built-in filter screen **NEW**

- GLADHAND SWIVELS 180° WITHOUT KINKING AIR LINE!
- Stainless steel ball-bearing provides a positive lock for gladhand mating
